

The City of Quincy

JOB POSTING ANNOUNCEMENT

May 29, 2009

GAS SUPERINTENDENT **UTILITIES DEPARTMENT**

The Gas Superintendent is a highly responsible technical, administrative and supervisor position whose function is to oversee the daily operations of managing the construction, maintenance and repairs to the City's national gas utility system. The Superintendent will coordinate and serve as a liaison with consulting engineers, contractors, developers, and other utility systems, and governmental agencies in the planning construction and maintenance of new and existing mains and lines.

The successful candidate will have a strong working knowledge of various applications, regulations, enforcement of laws, and policies pertaining to the City's natural gas utility service.

Knowledge, Abilities and Skills:

- Knowledge of the procedures, materials, equipment, and tools used in the construction, maintenance, and repair of water distributions and wastewater collection lines.
- Ability to interpret survey plats and engineering design plan on utility construction projects.
- Thorough knowledge of national, state and local building and construction codes and standards as they apply to gas utility systems with emphasis on those adopted by the Federal Department of Transportation and the Florida Public Service Commission.
- Knowledge of existing safety regulations relating to the natural gas distribution system.
- Ability to establish and maintain effective working relationships with subordinate employees, staff and general public.

Minimum Qualifications:

Candidate must possess a high school or an acceptable equivalency diploma. Candidates must have four years experience in progressively difficult technical positions include considerable supervisory experience in a natural gas utility operation. Candidate must have a valid Florida CDL driver's license. A comparable amount of training or experience may be substituted for the minimum qualifications.

We offer a competitive salary and compensation package. Annual salary range: \$26,874.00-\$40,310.00. If this sounds like the opportunity you have been looking for, please email your resume to lwright@myquincy.net or mail your application and/or resume to:
