

QUINCYCRA

Quincy Community Redevelopment Agency

HOME REPAIR PROGRAM

This program will provide assistance with minor home repair to qualified residents within the Quincy Community Redevelopment Area (Southern side of Highway 90 between Strong Road and Barack Obama Boulevard). Because funding is limited, program grants will be awarded on a “first qualified, first served” basis. Approved applicants may qualify for up to \$10,000. The program is contingent upon funds available.

The Application period will be open on October 25, 2021 and run until the total program fund is fully committed to approved applicants.

Application/Selection Criteria

- Live within CRA District
- Property must be owned and occupied by Applicant
- Homestead Exemption
- Current on utility service, property taxes and mortgage payments
- Submit completed application and submit all required supporting documentation
- Cannot have received Quincy CRA Energy Efficiency grant funds previously
