# City of Quincy City Commission Agenda Request

Date of Meeting: February 23, 2021

Date Submitted: February 22, 2021

To: Honorable Mayor and Members of the City Commission

From: Jack L. McLean Jr., City Manager

Ann Sherman, Director Human Resources

Subject: Phase II Utility Coupon Relief Initiative

\_\_\_\_\_\_

# **Statement of Issue:**

Mayor Harris requested Staff to explore a second phase of the Utility Coupon Program. This program provides residential utility customers assistance with their utility payments. The cold weather we have experience over the past months and continue to experience has been colder than normal. Some of our citizens are struggling to meet their obligations as they have not recovered from the effects of COVID-19. Some have lost jobs, experiencing reduced work hours and missing time from work due to COVID-19 or a family member affected by COVID.

# **Background:**

In October 2020, the City of Quincy introduced the \$30.00 Utility Coupon Assistance Program. This program was implemented to assist customers with their utility payment with a caveat of paying by the due date to receive the credit.

A phase II of the Utility Coupon Program is now being considered to address and assist those customers who are experiencing higher than normal utility bills due to the cold weather we have experienced in January and February. Additionally, the severe snow storm which has affected the State of Texas electric grid will most likely drive the cost of fuel thereby possibly increasing the cost of electricity.

The cost for this program is estimated at \$85k and will be funded from the \$261.6k received from the Department of Economic Development.

The scheduled implementation dates for the Coupon Program is March 7<sup>th</sup> and ending on April 7<sup>th</sup>. The roll-out will be as follows:

# Cycle 1\_

- Bill Date- March 7<sup>th</sup>
- Due Date March 22<sup>nd</sup>

# Cycle II

- Bill Date March 22<sup>nd</sup>
- Due Date April 7th

# **Conclusion and Recommendation:**

A phase II of the Utility Coupon Program will help utility customers who are experiencing a higher than normal utility bill due to the cold weather we have experienced in January and February. The billing for December vs the billing for January represents an increase of \$273,598.00 (15%), which is an indicator of higher utility bills.

# **Options:**

Option 1: Motion to approve Coupon Program

Option 2: Commissioners Direction

# **Staff Recommendation:**

Option 1
