**CITY OF QUINCY
CITY COMMISSION
AGENDA REQUEST**

Date of Meeting: June 29, 2021

Date Submitted: June 28, 2021

To: Honorable Mayor and Members of the City Commission

From: Jack L. McLean City Manager
Anthony J. Baker, Fire Chief

Subject: Purchase of New 100' Aerial Ladder Truck

Statement of Issue:

The Fire Department is requesting approval to purchase a new 100' aerial ladder truck.

Background:

The current aerial ladder truck is currently 25 years old and in need of some costly repairs.

The new ladder truck will enable us to respond quicker to calls and be more proficient in completing assigned tasks.

The purchase of the new aerial ladder truck will hopefully help with trying to obtain a lower ISO rating. Our current rating is 4/4X, with an effective date of September 1, 2020. The next ISO visit will be in 4 years. The PPC (Public Protection Classification), plays an important role in the underwriting process for insurance companies. Insurers use PPC information as a part of their decision making to offer coverage and prices for personal and commercial property insurance. The truck will cost an estimated total of \$990,000; and will be purchased from GL# 001-230-522-60642.

Analysis:

See the attached pictures of the proposed aerial ladder truck and spec sheets which detail the features of the truck.

Recommendation:

Option 1. Authorize the Fire Department to purchase a new 100' aerial ladder truck.

Option 2. Provide direction.

Staff Recommendation:

Option 1.

**AN EMERGENCY ORDINANCE OF THE CITY OF QUINCY, FLORIDA IMPOSING
A TEMPORARY MORATORIUM ON THE ACCEPTANCE OF APPLICATIONS
FOR LARGE SIGNS; AND PROVIDING AN EFFECTIVE DATE**

WHEREAS, the City of Quincy, Florida (“City”) encompasses several sensitive areas and the City endeavors to protect its scenic character through undertaking proper controls on development; and

WHEREAS, the City regulates signage for purposes of protecting public safety in addition to the City’s aesthetic interests;

WHEREAS, the City officials have become aware that there may be unconstitutional or otherwise invalid provisions in the City’s current sign ordinances; and

WHEREAS, the City seeks to maintain the status quo while it undertakes to expeditiously revise and/or readopt its sign ordinances if needed; and

WHEREAS, the City Commission seeks to prevent any large signs (those measuring over 32 square feet in size) from being erected during this period of evaluation and revision of the sign ordinance.

NOW THEREFORE, in order to maintain the status quo while City officials expeditiously undertake a review of the City’s sign ordinances, City officials are directed to immediately stop accepting applications for permission to erect or install any sign that would be larger than 32 square feet in size. This is a temporary emergency measure and shall be in place only until such time as the City Commission has duly adopted a new or revised set of sign ordinances or for 60 days, whichever comes first.

This emergency provision, having been approved by the majority of the City Commission, shall take effect immediately.

PASSED in open session of the City Commission of the City of Quincy, Florida, on this _____ day of June 2021.

APPROVED:

Ronte R. Harris, Mayor
Presiding Officer of the City Commission and
The City of Quincy, Florida
