CITY OF QUINCY CITY COMMISSION AGENDA REQUEST

Date of Meeting: December 14, 2021

Date Submitted: December 7, 2021

To: Honorable Mayor and Members of the City Commission

From: Jack L. McLean Jr., City Manager

Charles J. Hayes, Interim Planning Director

Subject: 1147 Inlet Street - Marilyn Woods

Statement of Issue:

Ms. Marilyn Woods, of 1147 Inlet Street, has made a claim that due to flooding in the area, it has cause structural and foundation damage to her home.

Background:

Staff has met with Ms. Woods to discuss the issue concerning the damages to her home. Mr. Bell and I were requested to visit Ms. Woods' home to render an opinion on the cause of the damages to her home. During our visit an inspection was made of the property. We notice that in several of the rooms the floors appeared to be unleveled. There was a hole in one of the rooms; we inspected the hole in the floor and perform a visual inspection of the foundation from the hole.

We further inspected other rooms in the house and made note that the floors were unleveled. We further inspected the outside back of the house and noted that the bricks on the back of the house were cracked from the ground to the roof line. We could not determine if there was any water that had ran under the house at that time.

It is our opinion, based on the age of a home built in 1962 that it is not uncommon for the foundation of homes to shift or settle. During this era versus pouring footers as we do today, it appears that concrete pads was used for the base for the footers which was acceptable in that era. We call on a building official to confirm this.

It was suggested to the Manager that we call a qualified foundation company to inspect the foundation of the house. Ms. Wood called Alpha Foundation to perform an inspection. I have talk with the representative that performed the inspection. The report is attached, however, it only addresses corrective actions that are needed to resolve the issue.

Ms. Wood has stated that she feels that the City is responsible for the damages to her home due to negligence of the flooding on Inlet Street. She further stated that because of the flooding she has incurred mold in her home. Because of the possibility of mold being present in the house, it was suggested that she would need to be relocated until the problems is resolved.

She is also requesting that the City abate the mold and correct the flooding that may be occurring on her property. Also, she is requesting the City pay for relocation fees until the problems are resolved. Ms. Woods is requesting a relocation allowance of up to \$1500.00/month to cover monthly expense. Most leases are at a minimum of one year.

The Manager Identified that funds could be taken from the Rescue Act Funds received by CRA.

The Manager requested that Ms. Woods file a report with Risk Management Department. This could determine if the City has any exposure. As of this publishing, no claim has been filed.

Conclusion:

- Alpha Foundation Report

Public Works Summary Report On McKelvey Street and Inlet Street December 8, 2021

As part of our regular cleaning of trees and debris from drainage ditches, crews were sent to McKelvey Street to clear the drainage ditch. Daily reports that were turned in will give details of work done.

On March 4, 2021, 2 crews of employees were sent to McKelvey Street to clear the ditch line. They cleared out the ditch line, cutting tress back and clearing a pathway. All debris was piled up for the boom truck to pick up.

The Daily Report of March 8, 2021 was for tap that was to be done on Inlet Street. Two crews were to check storm drains and clean if necessary.

On March 8, 2021, Tomey Donaldson, David Rodriguez and an inmate crew checked and cleaned the storm drains on Inlet Street.

On June 10, 2021, Public Works crew along with an inmate crew were sent to McKelvey Street to trim back limbs on the right-a-way and in the drainage ditch.

There has been no mention in any of the Daily Reports of water backup or severely clogged storm drains on McKelvey Street or Inlet Street.

Subject: 1747 Inlet St- Alpha Foundations information

Good morning sir,

The repair proposal that you have received via email regarding the home at 1747 Inlet St is pertaining to the use of Helical Piers.

Helical Piers are the permanent repair and solution to a settling foundation or footing. The combination of water and soil are the cause of a settling foundation. The Footing is the foundation of the perimeter of the home, in this case. To permanently stop settlement, we use a Helcial Pier that bypasses all of the layers of soft, settling soil that the foundations footings are resting on. The Pier is advanced into the earth (avg. of 14-21 feet down) until "bedrock" is reached. A heavy duty foundation bracket is attached to the footing and is secured to the home and the pier. At this point, all of the weight of the home is now resting on the Piers being supported by bedrock, which we know will never move, instead of the home resting on soil. This repair is a lifetime guaranteed fix. (please see illustration below)

This home also has a crawlspace, which the floors are being supported from underneath with block/ brick columns. These columns are resting on the same problematic soil that the footing is. When those blocks begin to settle, the beams above settle with them and cause the floor above to slope or sag due to the lack of support. The permanent repair and solution for this is a "Smart Jack". These supports are designed to be permanent and are adjustable if need be for future concerns. (please see illustration below)

Lastly, the crawlspace is something that exposes the under side of the home to extreme amounts of moisture and humidity. This moisture and humidity exposes the building materials and allows for bacteria and mold growth under the home, which in turn allows for the homeowner to be exposed to breathing harmful mold spores. Water intrusion from flooding and groundwater moisture all flow beneath the surface of the soil and can make its way into the crawlspace, under the home. To protect the underside of the home, we propose an encapsulation system called "Cleanspace." This system isolates the under side of the home from the elements and protects the building materials from moisture by multiple components. Drainage matting, Cleanspace liner, sump pump, dehumidifier, composite material crawlspace doors and in this case, Smart pipe. All of these components together make up the Cleanspace system.

(please see before and after example below)

The proposal that was given to the home owner included all of these elements as shown in the options below.

Option 1:

(should have been the proposal you received) is for the settling foundation- repair by use of Helcial Piers

Option 2:

All of Option 1, plus the Cleanspace Encapsualtion

Option 3:

All of the above, plus floor supports by use of the Smart Jacks.

Please let me know what questions you may have and how I may be of any assistance

All the best, Richy

One of the proponents of civil rights is the right to vote. We are committed to support that every citizen has that choice.

We are grateful for your support in assisting the NAACP registration, education and transporting voters to the poll. Last year we established a headquarter in the Gadsden Men Of Action building to respond to the citizen's needs. We reviewed the voters roll to contact citizens to assist them to register and driving the to the polls. We provided education support for absentee voting and their rights to vote.

Even though the pandemic hindered our desire to go door to door we did go to some homes to assist. Elderly citizens were called to provide information and assist as needed. We provided financial support to the workers and the drivers.

We want to continue registering voters and encouraging voters to vote by mail. When the country open more we will go back door to door registration. We will also register voters and provide voter's education.

We are requesting \$3,000,00 to assist in this endeavor

Thanks

Sam Palmer. President

Quincy Music Theatre

Ms. Vancheria Perkins,

I am writing as Quincy Music Theatre's Managing Director. I took over in late September 2019, and barely had time to get my feet wet before the pandemic hit. I am looking forward to making QMT more involved in Quincy, especially in regards to youth education.

The prior year City support was used toward our Young Artist Series. The YAS is the heartbeat of the youth education at QMT. The YAS produces two shows as part of our annual season, and that program feeds our summer camp and summer intensive programs that produce a show each. Quincy Music Theatre averages 50 youth in its education shows, many of the students attending programs on scholarships.

QMT would like to create an after school education program in conjunction with the public schools, providing theatre education for many students who would not be able to receive it otherwise. Any City funding that Quincy Music Theatre might receive for the FY 2021-2022, would be used toward developing and growing the education program.

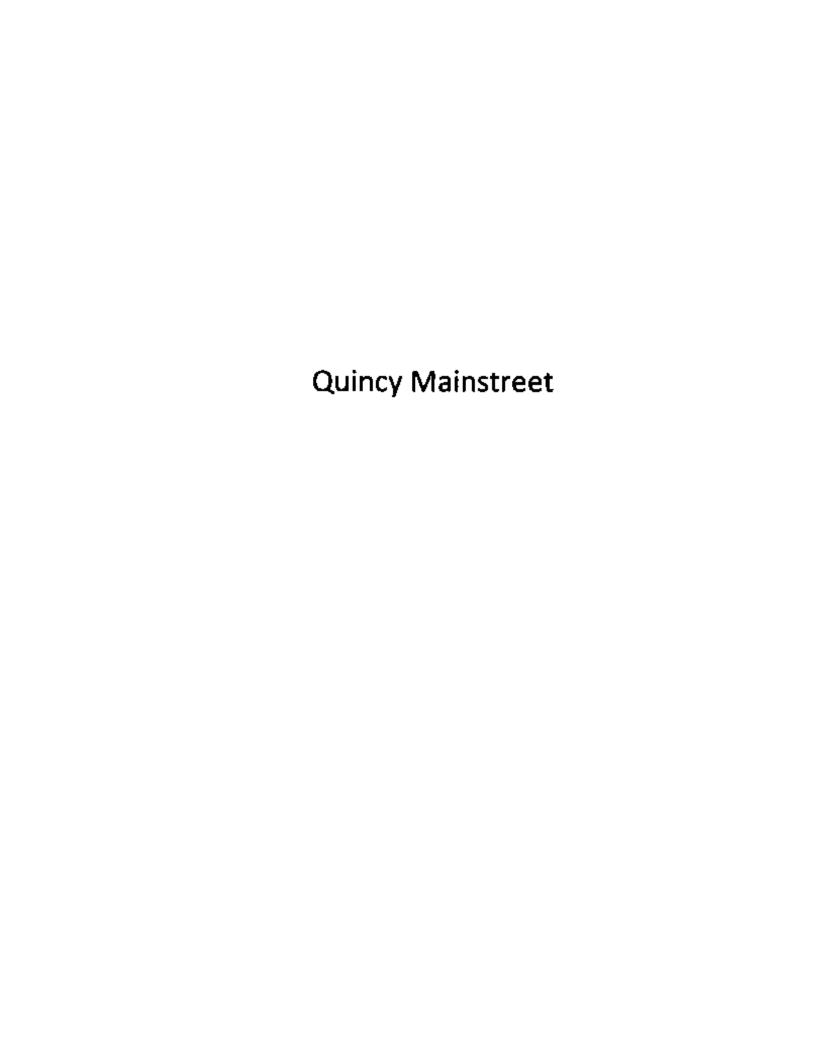

I appreciate your consideration for funding and look forward to working with Quincy to grow the Arts in Gadsden County.

Thank you,

Theresa Davis

Managing Director Quincy Music Theatre

2019-2020 Budget Expenditures.xlsx; 2019 990 AND SCHED O.pdf

Dear Mayor, Commissioners and City Manager,

Attached is the 2019-2020 Budget Expenditures and our 2019 Tax Return for your review.

In 2019-2020 Quincy Main Street was awarded both Operational Funds and Promotional Funds. In the 2020-2021 Budget we were awarded us only Promotional Funds.

I am requesting both for 2022 since our missions closely align with each other. The Florida Main Street programs encourages cities to support their main street program since so much of our work overlaps. We both work on code enforcement and incentives to promote new business downtown. We both collaborate on holiday programs. I've assisted the CRA with the CARES money placement and the painting project. I've worked with Dr. Nash, Hunter and Jazz on the downtown revitalization project, submitting ideas and participating in forums. I worked with a core team to plan and implement the Coca-Cola Mural Celebration. I've recently been asked to work with the city on plans for downtown Christmas 2021. Paying a portion of our operations budget funds my services to work with you on these projects.

This upcoming year we are requesting \$50,000. We would divide the money with \$20,000 going to Operations and \$30,000 for events. Our events calendar would consist of two major events, Porchfest in the Spring and Quincyfest in the Fall. Other smaller events would consist of Food Truck Friday, Mistletoe Market and a few Saturday Farmer's Markets. Hosting these events downtown allows people to see what we have to offer and will bring new business to our square. Your investment as a Major Sponsor for Porchfest allowed us to diversify our entertainment and we hosted the largest Porchfest to date. We are Florida's First Porchfest and we want to keep this event growing every year.

Thank you so much for your service to our town. I'm so glad to serve right along beside you.

City of Quincy Commission C/O Mr. Jack L. McLean, Jr. City Manager 404 West Jefferson Street Quincy, FL 32351

May 14, 2021

Dear Mr. McLean, Mayor Harris, and City of Quincy Commissioners,

Thank you for the City of Quincy's generous support of the Gadsden Arts Center & Museum this year! It been quite a year for all of us, with some valuable learning experiences for Gadsden Arts. 14 months ago, when Gadsden Arts closed its buildings to help protect our community from covid-19, we asked, "how can we continue to serve our mission?" The following week, we began to develop live and recorded online programs to bring the novelty, enrichment, connectedness, and self-expression offered by art experiences to everyone at home.

During the past year, Gadsden Arts has brought all of our programs to children, families, adults, and seniors online, at home, in schools, and at the museum. We have developed new ways of reaching more people, overcoming obstacles of time, transportation, and funding, and these will remain part of our program long-term. We have discovered new ways of connecting with a broad regional audience, attracted new visitors to the museum, and figured out how to bring more art into children's homes.

At the end of the day, pandemic or not, Gadsden Arts' impacts are these:

Art Education and Enrichment for Children
Lifelong Learning Experiences for Adults and Seniors
Bringing People Together
Tourism & Economic Growth

This past year, Gadsden Arts has applied half of the \$10,000 City of Quincy funding to support Major Exhibitions, which are central to education, tourism, and economic impacts; and half to our Art for Children programs, bringing art interpretation and art making programs to children in a variety of ways, free of charge.

Last fall, we piloted two new programs that are really powerful – Art @ Home Kits, and the Teen Art Council. Last fall, we recognized that 70% of school children in Gadsden County began the year from home, isolated from their peers. They needed fun, creative activities to offset screen time and pencil/paper learning. Free Art @ Home Kits brought art making fun into 500 children's households.

Continued on page 2.

Your investment in Gadsden Arts has made it possible for us to continue our other pilot program, the Teen Art Council, this year. This exciting program was launched in September 2020 with a grant from Art Bridges foundation, and we are thrilled with its initial results. The Gadsden Arts TAC employs teens who love art, introducing them to the museum, its exhibitions, and museum careers, and has the teens design art programs for their peers. Our first seven TAC students tell us they have loved the program. They have learned a lot, and connected teens and families to the museum through two student competitions, and family art activities and tours they designed and managed during Porchfest.

While Gadsden Arts has sustained and increased arts programming for our community, and community support remains strong, earned revenues have declined sharply during the pandemic. Our organization has proactively reduced our budget by 19%, without cutting any programming, to help offset this decline until earned revenues recover. We have also sought new grant funding, and continue to carefully manage expenses.

We ask the City of Quincy to consider renewing your support at \$10,000 in the upcoming fiscal year. This funding will:

- Help sustain the current scope and quality of our exhibitions program, which offer quality
 educational experiences for people of all ages, and is a a key to economic recovery by attracting
 increasing numbers of visitors into Quincy;
- Help sustain our free Art for Children programs, including the Teen Art Council, Art @ Home Kits, Guided School Tours, and ArtReach After School partnerships.

You will find in this packet detailed information about our programs and impacts in 2020 and 2021, and financial information. Thank you for being an important part of Gadsden Arts' efforts to improve quality of life for everyone in our community!

With appreciation,

Mary & Chinsen

Grace Robinson Executive Director

Masters of American Photography

This exceptional exhibition features works from The Museum's collection of photographs. The works elegantly represent the history of photography from the 1880s through the 1980s, with a particular emphasis on the first decades of the twentieth century. The exhibition includes iconic images by Eadweard Muybridge, Affred Stieglitz, Ansel Adams, Walker Evans, Berenice Abbott, Edward Weston, Dorothea Lange, Margaret Bourke-White, Paul Strand, and others.

This carefully chosen collection features an

impressive range of works from some of the most important artists in the history of the medium. Themes such as portraiture, landscape, still life, and cultural history dramatically illustrate America during this period.

Many of the twenty-four works are vintage prints — made by the photographer very close to the time the negative was created — or later prints, made by the photographer or assistant years later.

PATRONS' AND PARTNERS' COMMENTS 2020-2021

TAMMY STARKS

Teacher, George W. Munroe Elementary School

(Tammy gave Art @ Home Kits to students in class, and with 70% of students starting this past school year from home, delivered the Art @ Home Kits to every student's home who was distance learning.)
THANK YOU SO MUCH FOR PROVIDING MY STUDENTS WITH SUCH AN AMAZING GIFT! THE PASTELS REALLY

MADE ME. SMILE! Please thank your volunteers and Mrs. Lowman for bringing us Christmas in October! I have only three kits left to distribute! They are so excited! As a citizen and teacher in Gadsden County, thank you for investing in our community and my children's/student's future!

DIANNE GERMANY

Director, Restoring our Families Program

A partnership with the Gadsden County Sheriff's Office, for children with incorcerated parent(s)

Thank you for providing Art @ Home Kits – our 75 children are excited to receive them. We have workshops coming up that we have organized with the high school art teacher – these are the students' reward, they are so excited to have art supplies to take home!

CHARLES DAVIS

President, Capital City Bank

A corporate sponsor of Gadsden Arts programs and events

You and your associates do a great job with Gadsden Arts! Gadsden Arts and its programs are a very rare find, and especially in our small town. We are pleased to be a part!

RONALD PETERSON, PhD

Principal, George W. Munroe Elementary School

GACM Partner in the ArtReach After School, Art & Literacy, and Virtual Field Trip programs

"At George Munroe Elementary School, for several years, Gadsden Arts Center & Museum has provided afterschool art programming, guided tours, and in the past three years, a program specifically designed to bridge art with other subject areas such as reading, writing, and history.... In after-school programs our students are so excited that they work harder to finish homework so that they have more time to make art. Lastly, G.W.M.'s students benefitted from the Gadsden Arts Center & Museum by having certain reading and math skills reinforced through art, and this helped us move from an F to an A in 2018."

KRISTINE ODAHOWSKI

Youth Services Librarian, Gadsden County Public Library GACM Partner for ArtZone Story Time, onsite and virtual

"As a public art museum that works to provide high quality but low-cost or free programming, Gadsden Arts is a cornerstone of the Gadsden County community. Museums and libraries offer key services in our rural economically disadvantaged county that encourage lifelong learning. The ArtZone provides much needed free art activities for all ages... and a children's art library with books about art, artists, and award-winning children's books. Story Time and numerous ArtZone projects connect making art with reading and exhibition themes, encouraging visitors to visit the museum's galleries. These programs increase visitors' knowledge of art and history and... increase their comfort level with museums and libraries, which is an essential goal in our community."

Museum Visitors' comments to local Bed & Breakfost owners, who shared them with us

"I felt like I was at the Met (NY) with every wall filled with something to look at and experience." They loved the quality and presentation of the work, "They had some world class sh--." NY speak for great. Actual quote, which as a communications and marketing professional I don't suggest using on any marketing material in Quincy. LOL. It might work in NY, but maybe not here... Final good quote: "It was wonderful. For a small museum, they do a lot. That museum needs to grow!"

tast Friday, I had to pleasure to see the current shows at the Museum and wanted to send congratulations for your excellent work! Your shows are always good, but HQFFMAN TO WARHQL is outstanding. To be able to see the work of such important artists was not only a visual treat but reminded me of their place in art history. It's been some time since my art student days! Also outstanding was Elisabeth Falls work. Her talk last week was one of the best I've seen in sharing her art processes and emotional resources. I will definitely be back to take a second look at both shows. Thanks!

We saw an article in the paper about your Hofmann to Warhol exhibition, went to your website, and also saw our next show would be Clyde Butcher. We just had to join! Our visit has felt very safe, this show is great, and we can't wait for the Butcher exhibition – we own some of his photographs!

BARBARA N.

Grandmother, Tallahassee, FL

Thank you so much for the Art Kits for my two grandchildren! These activities are such a breath of fresh air for them, they have been at home a LOT and are so happy to be making things.

LEEWOOD W.

Museum Donor, Houston, TX

I am so proud of how Gadsden Arts has adapted to the pandemic, creating programming that reaches people where they are, making people feel safe, I have enjoyed the live art presentations online. Great work.

SUSAN S.

Wells Fargo Employee, Quincy, FL

Thank you for telling me about Gadsden Arts and helping set up the Hofmann to Warhol tour for my group! I was so impressed by the collection assembled and candidly was blown away by the whole experience. Angie gave such a great tour. My 3yo daughter Georgia-Lynn loved her Art Kit. This all was greatly appreciated!

VANESSA P.

Museum Visitor, Bainbridge, GA

A friend and I visited last Wednesday and really enjoyed the exhibit. Modern art is not 'my thing', but I learned a lot, which helped me appreciate the artwork more. I loved the front display focused on voting rights. What a history lesson! I sometimes forget many of these landmark decisions have happened in my lifetime. The Gadsden Arts Center is a gem and I always enjoy the visit!

COMMENTS REGARDING THE CLYDE BUTCHER: AMERICA THE BEAUTIFUL EXHIBITION

Thank you for letting us know that the exhibit was a success for your museum. It makes our hearts warm to know it has helped sustain the arts during the year of Covid 19. We loved the comments...the New Yorker made us laugh! Perhaps if we get together with another exhibit in the future we'll be able to make to Gadsden in person the next time!:) – Clyde & Niki Butcher

COMMENTS FROM FLORIDA STATE UNIVERSITY STUDENTS, MUSEUM BASICS CLASS GACM periodically hosts this class to talk about career paths, roles in the museum, and to answer questions

Please let them know that I really appreciated them coming and speaking to us today, they gave wonderful insight that I don't think I would have gotten anywhere else! It was wonderful to absorb that information for my future endeavors! – Abbie C.

Thank you guys so much for sharing your experiences with us, it was really helpful for me to hear about the joys and struggles in the arts world during this pandemic as I will be graduating in the middle of it! – Bailey R.

I would love to say thank you to Ms. Robinson and her colleagues for taking the time to visit us and share their experiences with us, it means a lot as someone who is just starting to discover the museum world. I particularly loved hearing about how Gadsden selects and develops new exhibits, I hope to be able to visit sometime soon to see them in person! — Mia J.

COMMENTS FROM TEEN ART COUNCIL STUDENTS; What did you enjoy most about Teen Art Council?

The thing I like most is getting to learn more about art and understand the value of art to other people. I also enjoyed meeting artist and learning about them. Getting that background and understanding that everyone has at a time where life is difficult really helped.

The Team, the most patient woman I have ever seen has to be Anissa Ford. She did an amazing job keeping us all invested in the program and never skipped the opportunity to teach us something new which I loved. That there are the other students like me, it didn't feel like I was in a classroom environment, it was like sitting with a group of friends more than anything. The curators and special guest were just a treat and I loved the program 100% Talking about and doing fun projects involving my favorite subject, learning more about the world of the arts, and getting paid for loving art.

Good Evening!

I would just like to add a specified requested amount for funding for Closing The Achievement Gap, Incorportated: \$5000.

From: Nekeshia Harris <<u>ctaginc2017@gmail.com</u>> Subject: City of Quincy Non-Profit Funding

Good Morning Mr. McLean!

Closing The Achievement Gap, Incorporated has been notified that a special meeting has been scheduled for tomorrow, Nov. 30, 2021, in regards to the city's funding of non-profits. It is my understanding that you are still in receipt of funding requests from other non-profits; therefore, please receive this letter as a formal request.

CTAG, Inc. is a 501C3 non-profit organization that was established in 2017. The purpose for which the corporation is organized is to provide Gadsden County students and their families:

- free tutoring services
- after school/summer programs
- enrichment opportunities
- book studies
- outreach through academic, career, financial, spiritual, fitness and nutrition, athletic and health workshops/trainings/events
- educational/recreational field trips
- exposure through travel and participation in various activities and events.

To date, CTAG has done the following:

- Currently engaged in a Youth Crime Prevention Initiative funded by a seed grant through the City of Quincy
- Provided more than 30 students with free ACT/SAT rutoring;
- Established the SOARing Scholars, a cadre of honor students from East Gadsden (ligh School/Gadsden County High School who assist with mentoring and tutoring middle and elementary school students;
- Created Women Of Resilience and held two symposiums:
 - Women, Wash Your Face: Based on the Biblical story of Ruth and addresses healing from past hurts in order to move forward
 - The Disappearance of Queen Vashti: Based on the first chapter of the Book of Esther
 that introduces the deposed Queen Vashti who was dismissed as a result of refusing to
 lower her standards.

I look forward to your timely response,

Best Regards!

Nekeshia Harris Executive Director Closing The Achievement Gap, Iuc.

Attachments: GCDC Invoice letter to City of Quincy 2021-2022.pdf

Dear Jack and Marcia:

We want to thank you for your organization's continued leadership and support of Gadsden County Development Council. Your annual contribution of \$15,000, along with other investment, has resulted in new jobs and capital investment in Gadsden County from our eastern border to our western border. Congratulations on the expansion of North Florida Therapy Services, the groundbreaking for your new solar facility, the annexation of property for the proposed Arbour Valley multi-family housing, and the extensive due diligence on the expansion of Joe Adams industrial Park. Of paramount thanks is your service as the fiscal agent for the development of the county-wide Talent Development Strategy titled Opportunity for All: Good for Business and Great for Workers.

As we embark upon fiscal year 2021-2022, we are asking for your continued support of prepared product, sound policy, and effective marketing of Gadsden County's competitive assets. I am happy to address your Board to express the vital importance of GCDC and the enormous impact of your leadership.

We do hope that you continue to support Gadsden County Development Council as we continue to make an impact to change lives in our community. Attached for your consideration is a copy of this request and an annual investment invoice.

Sincerely,

Beth

Email Address: <u>Silverstarlodge@yahoo.com</u>

Dear City of Quincy:

The officers and members of Silver Star Lodge#61 would like to inform you of who we are and what we do in our community. First and foremost, we are a group of believers in Christ. Secondly, we are free and accepted Masons that fall under the governing body of the Most Worshipful Union Grand Lodge of Florida. Our primary mission is to always be a beacon of light in our community. The primary focus of the organization is on community service. The events that we conduct are civic-based. These events entail community days where we feed the needy hot meals, food giveaways, property cleaning for the elderly, civic services for Gadsden County Schools, clothing drives, and shoe drives. Our organization will do whatever it takes to assist those in need within our community. This year alone, we held a community day where we fed 200 people within the community. We also helped Gadsden County Pre-K with their registration by serving food to children and parents that were a part of that event. There were other events throughout the year, but those were two of our largest and most successful.

Silver Star Lodge would love to assist the community on a larger scale, although we need financial assistance. Financial assistance would allow us to conduct business more efficiently, complete some much-needed structural repairs to our building, and host a few events that would benefit the needy in Gadsden County. This letter serves as a request for funds. The amount that we are asking for is \$5,000.00. We appreciate you taking the time. out of your busy schedule to read our request and look forward to hearing from you.

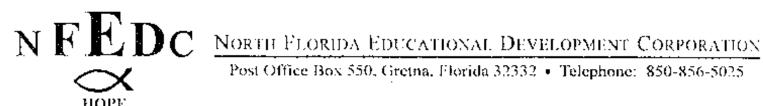

Thanks

Re: Budget Request - Legal Services

Dear Ms. Perkins:

This letter serves to update Legal Services of North Florida's request for \$40,000. This additional and increased request will allow us to help meet other critical identified needs.

In September, we submitted a request for \$20,000 to provide general civil legal assistance to reflect the growing civil legal needs of Quincy residents, including increases in tenant and homeownership issues, with consumer debt issues, overpayments in unemployment compensation, issues with access to health care, and other civil legal matters impacting the stability of the family. At the same time, many continue to recover from Hurricane Michael and are facing challenges accessing Rebuild funds managed by the state.

In that request we also mentioned the continued need to support heirs' property/title clearing as families become increasingly aware of the importance of clear title. In recent conversations with Quincy residents, community leaders, and our staff on the ground in Quincy, we realize this need may be even greater. We would work with the city to refer those identified for rehabilitations funds, but for the title issues related to the property, as well as other residents in need.

These funds would allow for 307.6 hours of legal assistance at our average hourly rate of \$130.02, or help pay for the often expensive other costs associated with clearing title such as surveys, title searches, and appraisals. In addition, LSNF will continue to successfully leverage existing funds and partnerships to expand services in Quincy. This has included expanded outreach, community education, and on-site legal clinics. Showing the existing support of the city has aided us in bringing these additional resources.

During FY 20-21 through August 31, 2021, with the support of the \$10,000 received in the current fiscal year, LSNF has handled 275 cases impacting 729 City of Quiney residents in a variety of cases such as employment issues, family law, eviction defense, consumer, foreclosure prevention, title clearing/heir property, Social Security benefits, child and spousal support awards, and other issues. As we continue recovery from both the pandemic and Hurricane Michael, these issues

Funding Request - Legal Services Page 2 December 3, 2021

continue and are expected to increase with the end of the federal eviction and forcelosure moratoria.

We hope that you will continue to see our work as a valuable resource which maintains stability and manages the legal needs of the most vulnerable in our community. Based on a recent economic impact study, the City of Quincy's \$40,000 funding to LSNF translates to \$287,600 in economic benefits to the community.

Thank you for your consideration. I can be reached at 850-701-3308 for any further information. We look forward to continuing a working relationship to provide hope and justice for the people of Quincy.

Sincerely,

Leslie iv. Fowell-Bondreaux

City Manager, City of Quincy 404 West Jefferson Street Quincy, Florida 32351

Dear Mr. McLean,

Mother Care Network, Inc. (MCN), is a non-profit 501 (c) (3) organization dedicated to providing assistance and support to address the compounded needs of Gadsden's residents through coaching, mentoring and family bonding. The mission of the organization is to encourage Gadsden residents to get involved in their community, assist them in acquiring the necessary skills to make healthy choices, aid families in utilizing community resources and guide them into action for healthy behaviors and/or lifestyle changes to better understand the nature of health disparities among ethnic and racial groups.

Over the past 20 years, MCN. has established partnerships with the local schools, over 25 community churches, Florida A & M University, Florida State University, the Gadsden Community Health Council, Gadsden, County Planning and Zoning, Work Force Plus, the Gadsden County Health Department, Local Family Physicians, the Healthy Start Coalition, and the Florida Department of Health for achieving positive community health outcomes. In 2020, Mother Care Network gave \$32,275 to 28 churches to assist families impacted by COVID-19. This donation serviced 244 Gadsden County Residents. Additionally, \$11,000 was donated to 16 families for Christmas. This donation provided 50 children the opportunity to get Christmas needed items for their entire family.

The disparity in the prevalence of type 2 diabetes among African Americans, Latinos, and other minority racial and ethnic groups is well documented. In addition to being at higher risk for developing the disease, non-Hispanic Blacks experience more severe complications as a result of the disease, including lower limb amputations and diabetic retinopathy (American Diabetes Association, 2014, U.S. Department of Health and Human Services, Office of Minority Health, 2016). Type 2 diabetes incidence and self-care has also been examined in relationship to socioeconomic position.

MCN implements Project H.I.G.H. for individuals with type 2 diabetes and cardiovascular disease to aide in the prevention and awareness campaign for individuals who are susceptible to type 2 diabetes and cardiovascular disease. Through Project H.I.G.H., MCN provides diabetes and cardiovascular screening and equipment, education materials, nutrition and fitness classes, one-on-one follow-ups, and referrals to health care and resources to Gadsden County residents who are at risk or living with type 2 diabetes, pre-diabetes, or two or more major risk factors for developing type 2 diabetes at no cost to the residents.

Mother Care Network, Inc., is requesting the City of Quincy to support Project H.I.G.H by providing \$20,000.00 of financial assistance to continue providing health care services to this undeserved population.

Mother Care Network, Inc., thanks the City of Quincy in advance for your consideration.

Sincerely,

Director, Mother Care Network, Inc.

Dear City Manager

Stallworth Associates and Global is a nonprofit organization located in Gadsden County. SAG was incorporated in 2018.

Earlier in the day, President Joe Biden signed a bill making Juneteenth a federal holiday. SAG has joined along with the federal government in recognizing the holiday that was initially celebrated by formerly enslaved communities. Juneteenth, also known as Freedom Day or Emancipation Day, originated in Galveston, Texas, in 1865. Before the 13th Amendment was ratified and officially abolished slavery nationwide in 1865, 16th US President Abraham Lincoln signed the Emancipation Proclamation in 1863, declaring that all enslaved people in Confederate states were free. Although the proclamation was declared in 1863, enslaved people in Texas did not receive the message that they were free until two and a half years later. On June 19, 1865, Union Army General Gordon Granger read General Order No. 3 to people living in Texas, saying that all people held in slavery in Texas were free. Since then, formerly enslaved people in Texas celebrated June 19 as the day that slavery ended. This celebration spread to other states but is just now being federally recognized.

Our first Gadsden County Juneteenth was held on 6/19/2021 at the Gadsden County Courthouse. As you were aware, it was a great success to acknowledge, empower and speak on the history of Juneteenth in Quincy, Florida. SAG is planning a Juneteenth event at the Gadsden County Courthouse on 6/19/2022 from 12:00 to 6:00 pm. SAG is requesting \$5000.00 for financial assistance.

Together we can make a difference in our community! Please reach out to me at traceystallwortrh@outlook.com or 850-524-7874 if you have any questions about our organization or how you can get involved.

Thanks, and we hope to hear from you soon.

Subject: Request for Telecommunications/Dispatch Center

Upgrade

Statement of Issue/Background:

The Quincy Police Department moved back into the R.D. Edwards Building in 2018. Renovations were made to many of the offices and locations within the building. The Dispatch center, located in the front of the building as citizens walk in, did receive a renovation. Two dispatch locations were established and put into action. Since that time, the computers have become outdated, the monitors have become pixilated, the department is using one computer for NCIC/FCIC access with a remote connection to the computer for two dispatchers, and the dispatch console which is obsolete even after 4 years.

Conclusion:

In order to upgrade the dispatch center, new robust computers (Intel Core I-5 or better, 8 Gigs of memory or better, Windows 10 with the ability to upgrade to Windows 11, Office 365 and Office suite, Keyboard, Mouse, USB ports, Ethernet port, HDMI, 1TB hard drive or better, would be needed as well as new monitors. Each of the 2 dispatchers would need three computers:

- 1. One for the NCIC/FCIC connection,
- 2. One for the CAD and RMS system and
- 3. One for the digital dispatching console system.

These computers would come with monitors of at least 32 inches for clarity and ease to view the RMS and CAD systems.

These monitors would be mounted either on the wall, if possible, or mounted where a dispatcher could see the monitors easily.

A white board would be used to facilitate the dispatcher's timely and proper communications, mapping abilities, and other information disseminating needs.

Three chairs would be needed to purchase. These chairs would need to be robust since for 12 hours, dispatch sit behind computer screens do their assigned tasks. A comfortable, workable chair is needed.

Due to the excess wire and other lines being run for connectivity, wire management will have to be accomplished for safety and security reasons. This includes the proper securing of lines behind devices and other electronic devices.

Since the Quincy Police Department has changed to the digital radio system, the recording device needs to have a change of licensure and possibly equipment. The Equature recording machine is currently being used. The system is currently able to records analog communication and phone calls.

Subject: Firearm Purchase Request

Statement of Issue/Background:

The Quincy Police Department purchased 27 Glock 22 (40 caliber) pistols from Lou's Law enforcement Supply in 2011. These firearms have been used, transferred, and maintained by the department for officers use while on or off-duty for the safety of the community and themselves. These firearms have reached the end of their serviceable life. While these firearms are still operating, the weapons are coming to the end of their life expectancy. The department is already having to repair multiple firearms for either springs coming loose or trigger pins coming out. If unrepairable, new firearms would have to be purchased regardless.

The department also has one armorer to repair any Glock Weapons what are in need of repair or inspections. This armorer maintains certification every two years.

The Quincy police Department has 15 shotguns. These shotguns are in need of replacing. Having bought these shotguns before 2006, they are been used well past their life expectancy. Some of the shot guns are in need of major overhaul, repair, or replacement.

Conclusion:

The Quincy Police Department uses 40 caliber Glock side arms and Remington 870 shotguns. We would replace all 30 Glock firearms with new Glock firearms, 40 caliber. We would also purchase holsters for the firearms. The department would also purchase a Glock Repair Kit for the Glock armorer to repair and maintain the side arms of the officers.

The Quincy Police Department would also replace 10 of the shotguns that are inoperable or unrepairable. The department would purchase 10 Mossberg shotguns that are a comparable model and make to the Remington shotgun that we already use.

Subject: Purchase of Taser 7 (replacing outdated Tasers)

Statement of Issue/Background:

The Quincy Police Department currently carries the Taser X26. This Taser platform has been useful but antiquated. The current X26 model that we are carrying and deploying was sunset by Axon, the parent company formally known as Taser International, in 2014. Initially the X26 Taser platform was sold back in 2003. Axon no longer supports X26. The cartridges and batteries for the X26 platform will be discontinued in manufacturing within a year.

In 2016, the department worked with the Florida Highway Patrol, the Tallahassee Police Department, and the Florida Wildlife commission to curb the cost to purchase new Tasers. Serviceable X26s, batteries and cartridges were donated to the police department from these agencies. This was an immense savings of almost \$80,0000.

The department's Taser cartridges and batteries are being depleting. Per F.S. 943.1717 each officer authorized to carry a Taser has to fire two darts each recertification cycle (yearly). Most of the used X26's internal systems are breaking down due to normal wear and tear. A few of the department's X26 control interface display does not work properly. Each X26 battery costs \$25.00 and each X26 cartridge costs \$26.00.

Conclusion:

The Taser 7 is the newest model that Axon sells. As an agency, the officers successfully apply the Taser on average at least 1-2 times a month. Officers deploy the Taser 5 to 10 times a month where the suspect complies with the officer and no application has to be done. With the department having to recertify yearly, the cost of the cartridges, the cost of the batteries, and the aging Taser platforms having to be taken out of service, the Taser program will be non-existent in a matter of a year.

The department is at risk for liability if something goes wrong electronically or through the Taser's function. Because the X26 is not longer being supported by Axon, the

City of Quincy City Commission Agenda Request

department currently has no Liability insurance from or through Axon which is \$10,000,000. This means that if a lawsuit would occur, there would be no additional liability insurance coverage for the police department through our Taser vendor/partner, Axon.

Axon has provided a quote for 25 X7 Tasers. These are the new Taser platform that is current and available for agencies. \$79,749.95 is the cost for 25 Tasers, holsters, cartridges, and batteries, and the cost would be distributed over a 5-year period for a yearly cost of \$15,949.99.

The quote is for a five-year plan that gives the department new cartridges for duty and training. The department would not have to incur extra costs of getting more Taser cartridges since they are included in the quote/program.

If purchased under this contract, the Tasers come with a five-year warranty. Replacement of the Taser would be at the cost of the vendor. Cartridges and batteries would be included in the cost of the contract.

There are two Taser Instructors who have been recently recertified to deliver the course.

Options:

Option 1: Authorize the police department to enter into a contract with

Taser International/Axon to purchase 25 Taser X7.

Title: Training Bulletin 19.0-04: Discontinuing Sales and Production of the TASER X26E CEW

Department: Training

Version: 1.0

Release Date: 1/2/2014

January 2, 2014

Dear Valued Customer,

Today, TASER International has announced that we will be discontinuing sales and production of the 2003 Model TASER[®] X26E[™] conducted electrical weapon (CEW) after December 31, 2014 as we transition all X26 production lines over to the 2013 model X26P.

For the past decade the X26E has been our flagship CEW product and considered the gold standard in less-lethal weapons.

To be clear, the 2003 X26E is very effective but due to factors described in more detail below, the decade-old analog technology has approached its "sunset" as we complete transition over to the updated 2013 X26P design.

A production sunset requires background information to help you better understand our actions and how it may affect your agency (if still deploying the X26E):

- □ The X26E debuted in 2003 as an analog device. As with all modern electronics and the advancement of technology, older electronics become obsolete, more expensive, and harder to source. The TASER[®] X26P[™] Smart Weapon was designed as the next generation successor to the X26E and operates on a fully digital platform. The advances are far superior in terms of safety features like trilogy log reporting (the X26P conducts 244 system checks when the safety is moved to the armed position for example); firmware updating over the web; water resistance improvements (IPX2 rating); and more.
- Agencies may continue to purchase the X26E through December 31, 2014, which includes a standard 1-year manufacturer's factory warranty. Extended warrantees may be included at time of purchase for an additional four years of service, not to exceed December 31, 2019. The replacement program for "out of warranty" X26Es will expire on December 31, 2014. After December 31, 2014, agencies will not be able to purchase a replacement X26E CEW through RMA for one that is out of warranty.
- □ Transitioning an X26E user to an X26P requires very little training because it is similar in design and function and uses the same TASER cartridge as the X26E. In addition, sales data indicates that agencies are choosing to trade in their X26E to the newer TASER Smart Weapon platform when their X26E's five-year life has been exceeded.

We believe this decision meets our customers' needs to move from equipment that was originally designed in 2003 to the upgraded features and performance of the latest TASER Smart Weapon technology.

If you have any questions concerning this matter, please contact your TASER Regional Sales Manager or a TASER Customer Support team member at 800-978-2737 or Sales@tase.com.

TASER 7 EXECUTIVE SUMMARY

Quincy Police Department

Axon Enterprise, Inc. 17800 North 85th Street Scottsdale, AZ 85255 Phone: 1-800-978-2737

Axon Taser Representative:

Christian Gardner (480-502-6209) cgardner@axon.com

Axon's Taser 7 Certification bundle offers a 5-year all-encompassing bundle of: hardware, software, accessories, equipment refreshes, and warranties together to help equip each officer with the solutions they need to stay safe.

The Quincy Police Department and Axon Enterprise, Inc. (Axon) will be partnering to deliver a Taser 7 Certification platform and program. Our goal is to deliver predictable annual spend, and the best technology in order to reduce the agency's liability while increasing the agency's efficiency and most importantly, safety.

Taser 7 is only sold in a bundled solution. The Certification bundle is Axon's all-encompassing plan that will provide everything necessary for the Quincy Police Department to have a Taser 7 program but provide resources for additional training. Axon has a price increase each year of about 4-6%, so by locking in the next 5 years of the Taser program now, as an estimate, the department would save 20% of CEW spend over next 5 years

When procuring products and services, the relationship with a vendor is usually transactional in nature. Axon is different from other providers specifically in this respect. The Quincy Police Department would be entering into an ongoing relationship with Axon and would be bound by the quality, support and product evolution of our company. It is critical to select the vendor that best aligns with your needs and would continually provide the support needed for the agency's success.

Axon represents the entire network of devices, applications, and people that is revolutionizing public safety around the world. Our mission is to protect life. Our technologies give law enforcement the confidence, focus, and time they need to keep their communities safe. Today, our CEWs are in use in more than 18,000 agencies globally and our other Axon family of products are in use by more than 6,000 agencies. Our suite of connected products from body cameras to evidence management, has given police agencies the flexibility and the versatility to operate with increased transparency and efficiency.

The Quincy Police Department's Current TASER Program

CURRENT TASER MODELS

X26

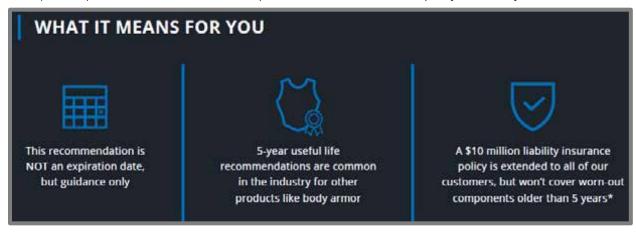

- Single-shot weapons
- X26s have been sunsetted

AGE AND STATUS OF CURRENT TASER CEWS

TASER AGES: Axon does not have record of the current X26 platform at the agency.

5-YEAR USEFUL LIFE RECOMMENDATION FOR ALL TASER WEAPONS

- 1) High voltage electronic components wear out over time and may not operate as expected.
- 2) Weapons that are more than 5 years old are 2x more likely to fail in the field.

*However, in the event that a TASER CEW fails due to a worn-out electronic component that is older than 5 years, our insurance would not cover this claim, and AXON would not be liable for any resulting injuries.

Advantages in Upgrading to the TASER 7

CONFIDENCE IN ACTION: Dual shot for extra coverage in case of miss or disconnect

WARNING ARCH FOR DEESCALATION: Warning arc emits audible noise that may deter subjects without needing to deploy

ENHANCED CLOTHING PENETRATION: Double kinetic energy of past models for better penetration/fewer disconnects

FLEXIBILITY WITH DEPLOYMENT DISTANCES: *New cartridges designed for both close-quarter ranges and standoff distances*

SMOOTH TRANSITION: Similar in size to X26P and smaller than X2 for easy transition

IMPROVED TARGETING: Daytime green LASER and dual LASERs lets users get a better sense of where the probes are aimed

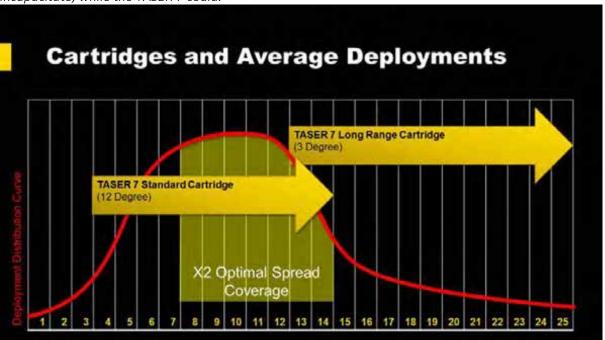

- ❖ Dramatically improved chances of First Shot Effectiveness at the distances to target where 90% of Use of Force Encounters occur, eliminating the absence of incapacitation which occurs when probes attach too close to one another by offering optimal probe spread within the range most common for force deployments.
- **Exponentially more probable Target Attachment than any model to date as probes arriving on target with greater velocity and weight impact with twice the kinetic energy, offering dramatically increased clothing compaction and adherence to more targets, more often.**
- ❖ Dramatically improved Effectiveness Upon Impact through an optimized application of electricity as adaptive cross connection requires devices to actively seek and exploit every possible path of electricity between every probe deployed, and to engage in this pursuit up to 44 times each second.
- ❖ A paradigm shift forward in proactive, industry leading Training consistent with modern police training standards requiring scenario-based and repetitive applications for minimal effectiveness under the stress and dynamic pace of real-world applications.
- ❖ The only use of force option which leverages the potential and Power of the Cloud as a device which will routinely deliver better, more actionable Use of Force data to every program administrator while simultaneously seeking constant software evolution, enhancement, and optimal maintenance.
- A leap forward in the Efficiency of Workflow as frequent, consistent, and routine Cloud connectivity with imperceptible impact on the daily routine of officers eliminates substantial man hours otherwise required of program administrators to seek, touch, and manipulate devices in order to leverage their data and maintain their effectiveness. With the added benefit of re-conditioning and recharging batteries rather than replacing them with every depletion, this dock-and-walk standard now offers remote CEW program command capability.

FIRST SHOT EFFECTIVENESS:

The graphic below represents an analysis of CEW deployments indicating that an average of 90% occur within 10' of a subject. Within this range, the X2 with standard duty cartridge requires a minimum of 7' between the weapon and subject in order to reach optimal probe spread necessary to achieve incapacitation.

For context, the New Orleans Police Department, by example, identified that 49.32% (693) of 1407 CEW deployments occurred within 5 feet of the subject, a range within which the X2 and X26P would not incapacitate, while the TASER 7 could.

TARGET ATTACHMENT

The TASER 7 rate of probe deployment is 28% faster than the X2 with 1.8X the kinetic energy upon impact. With heavier probes traveling more than 20 feet per second faster than the X2, this resulting increase in kinetic energy results in increased clothing compaction in order to facilitate successful incapacitation upon suspects wearing loose clothing, puffy garments, or multiple layers of clothing. At distance of 7', the TASER 7 is 15% more effective at clothing penetration/compaction than the X2. Also because of these enhancements, the TASER 7 better penetrates thick material (including leather belts) at a rate of 28% more effective than the X2 at 1' and 6% better at 7'.

EFFICIENCY OF WORKFLOW

A time study comparing TASER 7 vs. TASER X2 and found that the Dock and Go workflow of TASER 7 may save agencies up to 4-man hours per year per CEW by automating data downloads and firmware upgrades, whereas the X2 requires hands-on legacy administrative support by agency staff.

Purpose of the Certification Plan

This plan would provide the infrastructure for the Quincy Police Department's less-lethal program for five years

5-YEAR FORECAST

Ability to have a budgeted line item and know exactly what the department will be spending annually the next 5 years on Tasers and accessories.

BUILT IN DUTY CARTRIDGE REFRESH

Ability to not have to purchase duty cartridges over the next 5 years. Duty cartridges are replenished when deployed in the field by simply sending the log to Axon.

FULL OVERSIGHT OF TASER PROGRAM

Have all weapons on the same 5-year useful life all under one single invoice.

CONFIDENCE WITH WARRANTY COVERAGE

Have all Tasers under the same warranty umbrella with a no-questionsasked warranty on the Tasers, batteries, cartridges and dock.

INNOVATIVE TRAINING

Ability to train with 4 times as many cartridges as you currently are. To also provide an innovative VR Empathy Training program.

REDUCED RISK

By accessing end-user training with trackable modules and assessment scores, your agency can prove exactly the level of training received, thereby reducing your risk.

Quincy Police Department on Taser 7 Certification

Axon and the Quincy Police Department are partnering to provide an all-encompassing CEW program with the Taser 7 Certification bundle for 7 officers for the next 5 years.

Hardware:

- (25) Taser 7 Handles
- (23) Blackhawk right-handed holsters
- ❖ (2) Blackhawk left-handed holsters
- ❖ (30) Rechargeable batteries
- ❖ (25) Standoff long distance Inert Cartridges
- ❖ (25) CQ − short distance − Inert Cartridges
- ❖ (1) Target and frame
- (1) HALT Suit
- ❖ (1) Dock

Warranties:

❖ 5-year warranty on Taser 7 hardware, rechargeable batteries, and dock.

Software:

- (1) Evidence.com Admin License
- (25) Evidence.com Licenses

Cartridge Deliverables (Each Officer):

- (8) Training cartridges in Years 1, 3, 6 and 8
 - (2) Close Quarter, (2) Stand-Off [Live Cartridges]
 - (2) Close Quarter, (2) Stand-Off [HALT Cartridges]
- (4) Training cartridges in Years 2, 4, 5
 - (2) Close Quarter [Live Cartridges]
 - (2) Stand-Off [Live Cartridges]
- Unlimited Duty Cartridge Replenishment
 - Each officer will receive (2) Live Close Quarter and (2) Live Stand-Off duty cartridges
 - Cartridges deployed on-duty are replaced as a part of the plan

YEAR 1 PAYMENT: \$15,949
YEAR 2-5 PAYMENT: \$15,949

Current incentive with the department is \$7,250, including \$6,500 to buy back legacy weapons at a 1-to-1 ratio. We have added a HALT suit into the incentive as well.

CITY OF QUINCY CITY COMMISSION AGENDA REQUEST

MEETING DATE: December 14, 2021

DATE OF REQUEST: December 9, 2021

TO: Honorable Mayor and Members of the City of Quincy Commission

FROM: Jack L McLean Jr., City Manager

Timothy Ashely, Police Chief Robert Mixson, Assistant Chief

SUBJECT: Collective Bargaining Agreement/City of Quincy and Big Bend Police

Benevolent Association

Statement of Issue:

The ratification of a new labor agreement between the City of Quincy and Big Bend Police Benevolent Association, a chapter of the Florida Police Benevolent Association, Inc.

Background:

The three (3) labor agreement between the Big Bend Police Association and the City of Quincy expired on September 30, 2021. The City initiated the bargaining process via a letter on April 2021. The union responded the end of June, and bargaining began. Several bargaining sessions were held, and the parties reached a tentative agreement on December 9, 2021.

Discussion:

Below is a summary of the parties' agreement on the three (3) year tentative labor agreement:

The three (3) year agreement increase sworn personnel's payroll 23.9% in the first year. After that, officers will move to the next step, which is 3%. The total additive cost to payroll is \$257,046. The source for the funding of the wage article is the American Rescue Act Pandemic pay funding approved by the commission in the last meeting.

2. TAKE HOME CAR PROGRAM (ARTICLE 19, section2)

Per the city manager and union, this would not change—no change in verbiage.

3. Article 13, Section1 - Holiday

The police officers under the PBA contract are currently getting ten holidays. On Juneteenth (June 19), an additional holiday was made a federal holiday in 2021. This would increase the holiday from 10 to 11 for the police officers under the PBA contract.

Holiday- Juneteenth	# employees Affected	Estimated cost/hour	Total hours per total employees	Average Cost/year
1	25	\$36	300	\$ 10,800

4. SICK LEAVE (Article 18)

Per the city manager and union, this would stay the same and no change.

5. Article 18 – Rate of cost for Family Health Insurance

The parties agreed to the change below that applies the general employees coverage.

	# of affected	Rate	Total Cost
	individuals	Difference	
Employee & children	4	\$33.34	\$133.36
Family	3	\$160.95	\$482.85

TOTAL: \$ 616.21

6. Article 22, Section 6 – On Call Pay - Investigator

104 days (Fri and Sat)	\$5 increase/day	\$520.00
11 (Holidays)	\$5 increase/day	\$55.00
247 days (Mon to Fri)	\$5 increase/day	\$1235.00
	TOTAL INCREASE	\$1810.00

104 days (Fri and Sat)	\$25/day	\$2600.00
11 Holidays	\$25/day	\$275.00
247 days (Mon to Fri)	\$15/day	\$3705.00
	TOTAL AMOUNT	\$6580.00

TOTAL: \$8,390.00

Union Ratification:

The union has scheduled a ratification vote for Monday, 13, 2020. This agenda item is presented to the commission in anticipation of a positive vote.

Recommendation:

The tentative agreement achieved the following: Completive wages within the county and Bend Region. New officers' beginning pay is \$39,500 based on a 2080-hour year. However, the effective starting pay of \$41,475 is \$2184 an hour. A Sergeant's starting pay is \$49,500 based on a 2080-hour year, with an effective starting pay of \$51,975. Lieutenants will earn effectively between \$62,475 and \$68,268. With this salary schedule, the police department will attract and retain good officers.

If the union's membership ratifies the agreement, staff recommends ratification by the commission.
